

The Sammamish Baseball Club is excited to partner with 2-4-6-8, a new dine-in and to-go restaurant uniquely designed to support Sammamish families, groups, and teams looking for a place to celebrate, collaborate and just have fun!

Now through the end of the school year, when you use the promo code SKYSBB, 2-4-6-8 will donate 10% of your bill to SBC to help with club fundraising!

What makes 2-4-6-8 great?

1. A mix of open seating and two reservable group rooms perfect for birthday parties, team kickoffs, and end-of season celebrations.
2. A menu for both parents and kids, including personalized pizzas, great salads, appetizers, fun-size burgers and unique frozen desserts.
3. An 8-game arcade features classic games that all cost just a quarter. No tokens. No tickets. No claw machines. Just throwback games loved by all.
